FIXED HEAD SACK CLOSER

DS9 FHS

FIXED HEAD SACK CLOSER

Based on the well proven and durable Newlong DS series sewing heads, the Sack Filling Heavy Duty Stitcher provides a high speed, cost effective solution for closing paper, plastic and net bags.

- Integral oil lubrication system.
- Automatic stitch start/stop and pneumatic thread cut off ensuring economic thread usage.
- Suitable for Kraft paper, cotton, hessian, jute, woven cloth, plastic and other bag materials
- Plug and socket for conveyor supply together with foot switch for conveyor/ stitcher stop restart.
- Precise sewing head/conveyor speed synchronisation by an adjustable pulley between sewing head and motor.
- Cast and fabricated steel construction for the heaviest duty use.
- 750 watt motor for high speed effortless stitching.
- Fully compatible with Sack Filling 850 or 855 stitcher automator.
- Sewing head swivels through 90 for ease of threading and service.
- Spare needles, tool kit, mains plug and comprehensive instruction manual and parts list included.

Optional Extras

- Crepe tape attachment with DS-C & DS-9 sewing head.
- Wide range of conveyors and automated sealing systems.
- Pillar adaptor kit for Fischbein or other branded heavy duty sewing heads

After Sales Service

Fast on site service by factory trained engineers coupled with extensive stocks of competitively priced spare parts guarantees maximum productivity and protects the customer's investment.
