NP7A
## PORTABLE SACK CLOSER

NP7A
PORTABLE SACK CLOSER

Incorporating major new features, the latest NP7A provides a fast, reliable, cost effective solution for the closing of paper, plastic and net bags.

- Properly guarded mechanism for operator safety.
- Improved looper and simple mechanism for reliable stitching.
- Long life steel cam.
- Automatic thread cutting.
- Minimal maintenance requirement.
- Suitable for Kraft paper, cotton, hessian, jute, woven cloth and other bag materials.
- 12v DC motor available for battery operation.
- Manual cut-off crepe attachment available as an optional extra.
- Genuine Newlong sewing head.

Model NP7H

NP7H Side handle type version also available that simplifies sewing on horizontal surfaces.

Suitable for joining two fabrics or edge closing bags.

TECHNICAL SPECIFICATIONS

Speed
35-40ft/minute (5-8 secs/bag)

Weight
5.3kg (12lbs) with thread

Electrical Requirement
60W 50/60Hz, lph 220/240VAC
or 12V, 24V and 110V to special order

Stitch length and Needle
7.2mm (3.5 per inch) fixed with DNX1- #25 needle

Accessories
Spare needles, tool kit, mains plug and comprehensive instruction manual and parts list included.

Oil Pump
An integral pump action oiling system delivers metered quantities of lubricant to the mechanism of the stitcher.

Improved sealing together with revised oilways within the machine optimises the benefits of the new oiling system.

Stitching
Single thread chain stitch gives secure closure without added complications of twin thread machines.

Plain sewn closure.

Thread Cutter Knives

After Sales Service
Fast on site service by factory trained engineers coupled with extensive stocks of competitively priced spare parts guarantees maximum productivity and protects the customer's investment.
